Camping *at the* Park

Whether for a get-away weekend or a long summer vacation, nothing brings a family closer than a camping trip. The smell of crackling wood, the thrill of roasting marshmallows, making smores, early breakfasts around a picnic table, wet bathing suits drying on tree branches, catching fireflies by the moonlight. All of these things give families wonderful memories to rekindle for lifetimes. You will find the Park a wonderful, safe place to vacation. There is so much to do here. If boating is your thing, we are just a short distance from Lake Raystown.

Most types of camping is permitted in the camping area, whether you have an RV, pull behind, pop-up, even tents are welcomed.

We do not provide fire pits but you are permitted to use your own propane fueled or charcoal grills. You must dispose of the charcoal at the end of your visit. No open burning. Picnic tables are provided.

Dogs are permitted in the Park so long as they are on a lead. Please pick up after your pet. You will find trash receptacles throughout the Park and doggy "doo doo" bags are available at Oakley's Oasis at no charge.
