It's YOUR PARK and YOUR HELP IS NEEDED

Have you ever considered what the Cove would be like without the Park? For most of us it is simply unimaginable. 90 years ago our forefathers gifted the Park to the Cove residents. It was their dream and ultimately, their legacy. We are blessed and fortunate to have received such a gift. Most communities our size do not have such a Park. Thousands of people throughout the Cove and beyond utilize the Park's many programs. But program fees alone are not nearly enough to support the Park financially. The Park needs your ongoing commitment to keep the programs going and growing.

The Park is a 501-C3 (non profit) organization. Your taxes do not pay for the Park's operation or upkeep. It's your choice to support it. Please do. Honor the dream. Cherish the gift. Support Your Park.
